Have you ever heard of Miff Mole? Did you know that no less than three leaders of big name bands today played on the record of Beale Street Blues by the Charleston Chasers? Do you realize that all modern dance music owes much of its attraction to the pioneer jazz artists of the 1920's? If you want to hear the fascinating history of hot jazz up to the present time, tune in at 9:30 Friday evenings to Jazzocracy, WOCD's feature program dedicated to America's popular music.
